Chinook Farms – Grass Fed Beef Order Form

www.chinookfarms.com or info@chinookfarms.com

Thank you for your interest in our grass fed beef. Our cattle graze on pastures that are never sprayed with chemical herbicides or pesticides. The cows are never given any grain, hormones, or other growth stimulants, and are 100% grass fed and finished. We offer our beef in quarter, half, or whole animals, but strongly encourage customers to find a friend(s) with whom to split a half. Orders for quarters may be delayed until we are able to match you with another ‘quarter’ order.

Pricing effective October 5, 2022. Prices are subject to change without notice.
